The annual Fall meeting of the Board of Regents of the Presbyterian Orphans' Home will be held at Barium Springs on Thursday, October 13th. The new members elected at the meeting of Synod in July will be in attendance for their first meening. These new members are Mrs. Lewis B. Schenck of Davidson, Mrs. Mrs. John F. McNair, Jr., of Laurinburg, Mr. M. C. Benton, Jr., of Winston-Salem, and Dr. Joseph H. Carter of Newton.

Mr. W. E. Price of Charlotte, the president, will be presiding and the Board will concern itself in the Fall meeting with the progress made in repairs, replacements authorized in the Spring meeting, and with the general welfare of the Home.

School Program In Full Swing

Both the Elementary and the High School are in full swing with a full crop of teachers on the job. The teachers who returned in the Elementary School are: Mrs. A. M. Calhoun, Miss Eleanor Miller, Mrs. Lorrayne Durham, Miss Faye Stevenson, Miss Sadie Brandon, Miss Faye Stevenson, Miss Kathryn Troutman, Mrs. Frances S. Moore, and Mrs. Lee Spencer who teaches piano. In the High School building teachers returning are:

Mrs. Ruth Clark, Mr. C. L. Gilbert, Mr. A. M. Calhoun, Mrs. Melba McLuen, Miss Reba Thompson, and Mr. R. G. Calhoun, Principal Two new members were added to the faculty, Mrs. Natalyn Sherrill, teacher of Science for High School, and Miss Charlotte Calhoun who will be in charge of Public School Music.

In addition to the concern for studies the students are already busy with the Beta Club, planning the annual for the coming year, the buying of the class rings, planning the Chapel programs, and holding pep meetings for the football games.

In one Chapel program tryouts were held for cheer leaders to elect three persons to replace the three who graduated. From the applicants Joyce Ferrell, Peggy Jean Sellers, and Addie McEwen were chosen to join the three other girls who were elected last year, Nancy Kyles, Shelby McEwen, and Barbara Johnson.

Orphanage Conference In Fall Meeting

The Grandfather Orphanage at Banner Elk. N. C. was host to the annual meeting of the North Carolina Orphanage Conference on September 15. The conference sessions were held in the new Chaffee Building on the campus of Lees-McRae College President Harry Barkley, the superintendent of Mountain Orphanage at Black Mountain, presiding over the day's activities. Dr. Ellen Winston, commissioner of Public Welfare in the State of North Carolina, addressed the group on "Current Trends in Child Welfare," presenting also two of her staff members, Miss Myrtle Wolff, and Mr. Jack Hoyle. The assistant to the president of Lees-McRae College, Ivan B. Stafford, made an inspirational address on Child Care.

The afternoon was taken up with the three group meetings, one for housemothers, one for case workers, and one for superintendents. At the close of these group meetings a regular business session was held and officers were elected for the new year.

At the noon hour Miss Anne Bryan, the hostess and superintendent of The Grandfather Home, had made provisions for the group to have a picnic lunch on the lawn of the orphanage campus. A bountiful supply of delicious food delighted all of those who had journeyed westward for the day. The cordiality of the staff members and the courtesy of the children who were assisting in the serving made everyone feel very much at home.

Farms And Gardens Have Good Season

It has been a good year for the farmers and gardeners. In the early Spring the cold did very little damage and the good seasons caused a great yield in small grain. The largest yield that has ever been made at Barium Springs was produced, harvested and stored during this Summer. The hay and corn have also been of unusual growth and quality so that the Winter supply of feed is of no worry at the moment.

The good Summer rains kept the gardens growing and made the beans, okra, tomatoes, peas, corn, Irish and sweet potatoes, watermelons, and cantaloupes grow in abundance. Of course, these have been used on the table and have made the diet more nearly balanced for the children.

The one thing missing during the Summer and for the rest of the Winter will be the fruit. Ordinarily, in peach season 1500 to 2000 bushels are harvested. This year the orchard man, Mr. Woodrow Clendenin, said there were only two peaches in the orchard and that these never got ripe. They made there way to the campus long before they began to turn. The apples, counted in the thousands of bushels each year, this year can be counted only in smaller quantities. It now looks as if there will be about one hundred bushels. This will not begin to meet the needs nor to match the abundant supply had in former years, so the Winter will have to go by without the fresh fruit.

Another part of the Home's production which is growing but which is not dependent on the weather is the beef herd.

Cottage Named In Dedication Ceremony

The first Sunday afternoon in September saw the realization of a plan that had been in progress for many years. It was the time of the dedication of one of our new cottages. Many years ago when Dr. Joseph B. Johnston was superintendent of the Home, two brothers in Mocksville, John Calvin and Rufus Brown Sanford, planned with him for a memorial for their parents. It was agreed that year by year a contribution would be made and kept until it reached the place where it could be used for the erection of a building to be named in honor of the father and mother of these two sons. This dream reached its full fruition in the Sunday afternoon ceremony when one of the new cottages was named the Sanford Cottage. The following words were placed upon a plaque in the living room:

Sanford Cottage
Given In Loving Memory Of
Calvin Cowles Sanford
and
Mary Denny Sanford
By Their Sons
John Calvin And Rufus Brown Sanford

After the invocation, the Reverend Robert R. Collins, pastor of Little Joe's Church, read the scripture lesson. Superintendent Albert B. McClure then made the memorial statement and the dedicatory prayer was offered by Mr. Collins. After the prayer, Mrs. David Montgomery, Jr. of Statesville sang "Bless This House". The ceremony was concluded in the serving of refreshments by the children who live in the cottage to the members of the Sanford family and their friends who had gathered for the afternoon.

A NEW FILM

A new 16 mm film in sound and color has just been completed. It is entitled "When The Bough Breaks," and tells the story of Barium Springs. This film may be booked for showing in the churches. Bookings will be made in the order of the requests received.

UNDER THE STEEPLE – Nuggets of News

From Little Joe's Church

By

ROBERT R. COLLINS, *Minister*

So much has happened since this column last went to press that it is difficult to know where to begin. Let me first say a personal word of thanks to all those who were with us for the meeting of Synod and who have written expressions of appreciation. All of us in Little Joe's Church counted it a real privilege to have the Synod of North Carolina to meet in our new sanctuary. The real work of entertainment was done by our boys and girls and the staff of the Home. Yet, all of us were spiritually enriched by your visit and counted it a real honor for you to meet Under The Steeple.

The challenge of our ministry here is unending. It is vitally important to present the gospel of Christ to our family of boys and girls in a way that will cause them to respond to Him with the whole of their lives. We earnestly ask that you pray for us in the Spirit of Christ, that we may be guided by God in every phase of our program.

We have already observed Promotion Day in our Church School and in our Pioneer and Senior High Fellowship groups. For the past two months attendance at our meetings has reached a new peak, with between 55-60 at Pioneers each Sunday evening, and between 35-40 at our Senior High Fellowship meetings. Recently, Dr. F. W. Dick, a Presbyterian physician from Statesville, gave our S. H. F. group an excellent, "straight-from-the-shoulder" talk on the subject of "Dating and Petting". He gave us something to think about as Christian young people.

Five of our S. H. F. group who graduated from High School in the Spring have entered college or nurses' training this month. Joyce Kelly and Lucy Troutman have begun Nurses' Training at the Presbyterian Hospital in Charlotte. Edna Baucom has entered Appalachian State Teacher's College at Boone; Mary Emma McClure has enrolled at Maryville College in Tennessee; and Phoebe Cochran is now a student at Mitchell Junior College in Statesville. All of these young people who are Freshmen in school this fall were honored at a party in the Fellowship Hall of the Church early this month. They join many others from our church and Home who are returning to their studies this year as upperclassmen.

Before the next issue of the Messenger arrives we hope we will have seen some of you on the campus and in the church for Homecoming. The date is October 21st. The welcome mat is always out Under the Steeple, and we particularly hope that you will make a special effort to be with us this year. It will be a wonderful opportunity to see the new church which means so much to you and to all of us.

We are looking forward to seeing you soon.

Cottage News

Synod Cottage

Hey There,

School has started and all the boys are happy about it. They are all studying hard with hopes of making the honor roll this first time.

We have a new substitute housemother on the campus and we have the pleasure of her rooming here at Synods. Her name is Mrs. Allison.

That is about all the news as of late.

The Wigglers

Annie Louise

Hi folks,

Here are your friends at Annie Louise again with the latest cottage news.

Our housemother has been sick, but now she is well and back with us again. We are all happy that she is back.

We have been having quite a bit of trouble with our honeybees. The little girls call them "Chinese bees". Every time one tries to give us a little kiss we go running for the medicine cabinet. One of our big girls started to get in bed one night, we heard a scream and the next morning we found out that a bee had been in her bed and stung her.

All the girls "jest" love funny cartoons like "Porky Pig", and you know who else, their hero"Mighty Mouse".

We have a wonderful gardener this year. He has been giving us lots of beans to string and shell, but we don't mind that because he has also been giving us lots of watermelons, yum yum Boy, have we enjoyed those juicy watermelons. A friend also gave us some.

Almost every morning, the little girls start telling our housemother their dreams. Yesterday one little girl told her she was mad because her dream would not come true. Mrs. Gentry asked the little girl who she had dreamed about and she said she and that old "loverboy" himself, "Eddie Fisher". (What a guy).

Well that's all our coast to coast news for now. So long.

Love ya,

The Annie Louise Girls

Baby Cottage

We have a new substitute cottage mother, Miss Eunice Trollinger.

Six little boys are going to school from our cottage this year.

We have two new girls, Linda and Marsha Ivey.

Mrs. Thaggard had a birthday recently, and a big surprise.

Mrs. Potts, Miss Sims, and Ann McLean hid everyone in the kitchen and called upstairs saying the little girls were at the fig tree, in the rain. Rushing through the dining room on her way, she was met by the entire group singing Happy Birthday. It was then she spied the cake, ice cream, and gifts.

While out walking Tuesday afternoon the baby girls met the peanut man. He gave each of them a package of Tom's Toasted Peanuts. Little Nancy Finley suggested saving some for her brother, Tom, since they were his peanuts.

Friends of the Home continue to send in Whiteface cattle to become a part of the herd. Just last week a thoroughbred registered Hereford picked up in Gastonia as a gift of Armstrong Memorial Church is the latest addition to the herd. The boys take great pride in looking after these animals and have great hope in being present when the beefsteak is passed and the hamburger comes around the table.
